Instructions video for self-injection (pre-filled syringe)

VIDEO

A short video to support you to inject your Xolair at home, once you've been trained by your healthcare provider. You can read more about Xolair and how to use it in the [patient information leaflet \(PIL\)](#). This link will take you to the electronic medicines compendium (emc) website, which is a non-Novartis website.*

*The PIL is the leaflet included in the pack with a medicine. It is written for patients and

gives information about taking or using a medicine. It is possible that the leaflet in your medicine pack may differ from this version because it may have been updated since your medicine was packaged.
